MEDFORD SUMMER CONCERT SERIES ANNOUNCED

MEDFORD, N.Y. – Deputy Presiding Officer Rob Calarco is pleased to announce the lineup annual Medford Summer Concert Series. Now in its sixth year, the free concert series is co-sponsored by the Medford Chamber of Commerce at Medford Memorial Park on four Wednesday evenings throughout the summer. The performers, all of whom live and work in Suffolk County, perform popular cover tunes in a family-friendly setting.

“The Medford Concert Series is one of my favorite community events of the year,” stated Deputy Presiding Officer Rob Calarco. “It brings all ages out to listen to great music in a beautiful setting.”

Funding for the concert is provided by Hotel/Motel tax monies, designated for downtown communities across Suffolk County and are used to promote tourism.

“I am happy to sponsor this series in the Medford Community,” stated Legislator Calarco. “Showing off our beautiful downtowns while listening to great music is a win-win. I look forward to enjoying these with the Medford residents this summer.”
